

Food Policy

Overview

At Anacortes Christian School, we recognize the significance of nutrition in supporting the overall well-being and academic success of our students. Our food policy is designed to outline how to keep food from being a distraction to our students' education.

What

Students will be expected to bring their own lunches to school every day. Meals must be able to be eaten as-is, as there will be no access to cooking devices such as ovens or microwaves. Drugs and alcohol are strictly prohibited. *(If making a lunch every day for your student is not feasible for your situation, please reach out to our admin, we want to work with you to create a solution).*

When

Food is only to be eaten during lunch hours. Eating during class is prohibited unless by exception by a faculty member.

Release

Anacortes Christian School reserves the right to use judgement when dealing with students and exceptions in one case will not be exceptions for all students in all cases. Anacortes Christian School also reserves the right to dismiss any student at any time for any reason it deems necessary.
